WIRTGEN GROUP

Become a member of our
SUCCESSFUL TEAM.

A WARM WELCOME FROM THE TECHNOLOGY LEADER.

The WIRTGEN GROUP is an internationally operating group of companies in the construction machinery sector incorporating the five successful German product brands WIRTGEN, VÖGELE, HAMM, KLEEMANN and BENNINGHOVEN, local production sites in Brazil, China and India as well as some 55 international sales and service companies. More than 8,700 employees work for the strong group of companies. In 2018, we jointly generated consolidated sales of more than 3 billion euros.

OUR GERMAN BRAND HEADQUARTERS:

- WIRTGEN GmbH, Windhagen (Rhineland-Palatinate)
- JOSEPH VÖGELE AG, Ludwigshafen (Rhineland-Palatinate)
- HAMM AG, Tirschenreuth (Bavaria)
- KLEEMANN GmbH, Göppingen (Baden-Württemberg)
- BENNINGHOVEN GmbH & Co. KG, Wittlich (Rhineland-Palatinate)

The strong presence of the WIRTGEN GROUP subsidiaries as well as the closely-knit dealer network guarantee our customers around the world a direct on-site service and prompt assistance whenever needed. True to our WIRTGEN GROUP value proposition: CLOSE TO OUR CUSTOMERS.

THAT'S WHAT WE STAND FOR:

The companies of the WIRTGEN GROUP stand for clear values. As

Sales and service companies: 55

Authorized dealers: more than 150

Consolidated sales 2018: more than 3 billion Euro

strong and reliable partners for our customers they represent the sustainable focus on our customers success. And as multi-specialists we continuously work on creating real added value for our customers through innovation.

WELL ROUNDED.

We have all bases covered: With five strong brands, we encompass the entire road construction process chain from processing, mixing, paving and compaction to rehabilitation. Our strong team and our leading and specialized product brands deliver it all:

WIRTGEN is the market leader in milling machines and recyclers for road construction, as well as the quality and technology leader in slipform pavers and surface miners.

VÖGELE offers a complete range of road pavers, paving screeds and feeders and is the world market leader and pacesetter in the industry.

HAMM is the roller specialist and the No. 1 in asphalt compaction.

KLEEMANN is the worldwide technology leader in the mobile crusher and screen market.

BENNINGHOVEN constructs the world's leading asphalt mixing plants.

The WIRTGEN GROUP is proud to be a strong part of John Deere's Construction & Forestry Division.

SUCCESS IS CREATED BY DEDICATED INDIVIDUALS.

The most important asset of the WIRTGEN GROUP is our staff, since success always depends on the individuals involved. In the WIRTGEN GROUP, it is the staff who make the company strong, resilient and successful. All around the world, some 8,700 dedicated men and women of

many nationalities put heart and soul into their work for the Group. They are all united in the pursuit of a common goal: designing, constructing and selling the best machines for road and mineral technologies - ensuring our customers' success on job sites worldwide.

SET THE FUTURE IN MOTION.

Embark on a successful professional future with us. At the WIRTGEN GROUP, all your options are open. Our flat hierarchy offers you lots of opportunities to take on responsibility, along with challenging tasks and the scope to put your trend-setting ideas and concepts into practice.

The WIRTGEN GROUP constantly promotes your development and helps you along your career path. What's more, as an employee, you will benefit from the international structure of the WIRTGEN GROUP and from a wide array of Group-wide career opportunities. Join us and make your mark in design and construction, service and sales, administrative or technical functions.

THIS IS WHAT YOU CAN EXPECT:

- modern workplaces
- fast-track decision-making
- corporate culture of open communication
- respect for the employees
- great freedom of action and decision-making leeway
- systematic training courses and advanced training
- opportunities for international assignments
- group-wide career prospects
- modern, performance-related remuneration schemes
- staff restaurants and much more

YOU'LL FIT INTO OUR TEAM IF YOU:

- are reliable, persevering and obliging
- have a strong customer and service orientation
- are a distinct teamplayer who wishes to collaborate closely with colleagues from all over the world
- work passionately to continuously optimize your solutions
- love all sorts of challenges
- are inspired by complex problems
- are solution-oriented in all you do
- want to move things forward
- would be thrilled to develop the technologies of the future together with us
- want to move forward, but can always think outside the box, too
- want to join us in going the extra mile to give our customers a competitive edge

VACANCIES NEED TO BE FILLED.
